Well, now, it takes more than a robin to make the winter
go

And it takes two lips of fire to melt away the snow

Well, it takes two hearts a-cookin' to make a fire grow
And baby you've got what it takes

You know it takes a lot of kissin'

SPOKEN (Tell me about it)
To make a romance sweet

Ooh, it takes a lot of lovin' to make my life complete

Mmm, and it takes a lot of woman to knock me off my
feet

And baby, you've got what it takes.

I said,

Mm, mm, mm. uh-huh, mm, mm, mm

Ah, ah, hah

Mm, mm

You know you've got just what it takes!

Because it takes more than an effort to stay away from
you

It'd take more than a lifetime to prove that I'll be true

But it takes somebody special to make me say, "I do."

SPOKEN "Oh, yeah"

And baby, you've got what it takes.

Ah, ah, hah

Mm, mm, uh-huh, mm, mm, mm

Mmm

You know you've got just what it takes

Because it takes oh yeah

SPOKEN *** You're back in my spot again, honey***

SPOKEN ***I like your spot***

To stay away from you

SPOKEN "I can't stay away from you"

It takes more than a lifetime, daddy, to prove that I'll be true

SPOKEN "NOW it's you"

But, it takes somebody special

SPOKEN "Like me, baby"

To make me say, "I do."

And baby you've got what it takes

SPOKEN "C'mon, let's play it again, huh?"

SPOKEN "C'mon, let's do it one more time, all right?"

And baby you've got what it takes

SPOKEN "One more time, Brook"

SPOKEN "Ah-ha, OK, Ah-ha"

And baby you've got what it takes

FADE
