Another summer day  
has come and gone away  
In Paris or Rome...  
but I wanna go home  
...uhm Home  
may be surrounded by  
a million people I  
still feel all alone  
just wanna go home  
I miss you, you know

And I've been keeping all the letters  
that I wrote to you,  
Each one a line or two  
I'm fine baby, how are you?  
I would send them but I know that it's just not enough  
My words were cold and flat  
And you deserve more than that

Another aeroplane, another sunny place,  
I'm lucky I know  
but I wanna go home  
I got to go home

Let me go home

I'm just too far from where you are  
I wanna come home

And I feel just like I'm living  
someone else's life  
It's like I just stepped outside  
when everything was going right  
And I know just why you could not come along with me  
This was not your dream  
but you always believed in me...

Another winter day  
Has come and gone away  
in either Paris or Rome  
and I wanna go home

Let me go home

And I'm surrounded by  
A million people I  
still feel alone  
Let me go home  
I miss you , you know

Let me go home  
I've had my run  
baby I'm done  
I gotta go home

Let me go home  
it'll all be alright  
I'll be home tonight  
I'm coming back home"
