You are far
When I could have been your star
You listened to people
Who scared you to death
And from my heart
Strange that you were strong enough
To even make a start
You'll never find
Peace of mind
Till you listen to your heart

People
You can never change the way they feel
Better let them do just what they will
For they will
If you let them
Steal your heart from you
People
Will always make a lover feel a fool
But you knew I loved you
We could have shown them all
We should have seen love through

Fooled me with the tears in your eyes
Covered me with kisses and lies
So bye
But please don't take my heart

You are far
I'm never gonna be your star
I'll pick up the pieces
to mend my heart
strange that I was wrong enough
to think you'd love me too
You must have been kissing a fool
I said you must have been kissing a fool

But remember this
Every other kiss
That you'll ever give
Long as we both live

when you need the hand of another man
one you really can surrender with
I will wait for you
like I always do
there's something there
that can't compare with any other

You are far
When I could have been your star
You listened to people
Who scared you to death
And from my heart
Strange that I was wrong enough
To think you'd love me too
You must have been kissing a fool
You must have been kissing a fool
You must have been kissing a fool
