Can't believe it's over, I watched the whole thing fall  
And I never saw the writing that was on the wall  
If I'd only knew that days were slipping past  
That the good things would never last, that you were  
crying

Mmm, summer turned to winter and the snow had  
turned to rain  
And the rain turned into tears upon your face  
I hardly recognize the girl you are today  
And God, I hope it's not too late, mmm, it's not too late

'Cause you are not alone, I'm always there with you  
And we'll get lost together till the light comes pouring  
through  
'Cause when you feel like you're done and the  
darkness has won  
Babe, you're not lost  
When your world's crashing down and you can't bear  
the thought  
I said, "Babe, you're not lost"

Life can show no mercy, it, it can tear your soul apart  
It can make you feel like you've gone crazy but you're  
not  
And things have seemed to change, there's one thing  
that's still the same  
In my heart, you have remained and we can fly, fly, fly  
away

'Cause you are not alone and I am there with you  
And we'll get lost together till the light comes pouring  
through  
'Cause when you feel like you're done and the  
darkness has won  
Babe, you're not lost  
And the world's crashing down and you cannot bear  
the cross  
I said, "Baby, you're not lost"

Mmm, yeah, yeah, yeah, yeah

I said, "Baby, you're not lost"  
I said, "Baby, you're not lost"  
Ooh, yeah, yeah  
I said, "Baby, you're not lost"
