NANETTE:

Here in my arms  
It's adorable  
It's deplorable  
That you were never there  
When your two lips are so kissable  
It's permissible for you to ask your share  
Next to my heart  
It is ever so lonely  
I'm holding only air  
Why  
Here in my arms  
It's adorable  
It's deplorable  
That you were never there

MALE CHORUS:

Here in my arms,  
You're adorable and you're kissable

NANETTE:

It's permissible  
For you to ask your share.

ALL:

Next to my heart, it is ever so lonely  
I'm holding only air  
Why

NANETTE:

Here in my arms  
It's adorable (adorable)  
It's deplorable  
That you were never there  
(That you were never there)
