All spring and three days of summer
Thy he waited for an answer
Come out, you will not regret
And so easy to decide
Divide free island
Even with those who so believe

But all doubts are broken with a bang
Gold glitter on her finger

White dress, white veil
In the arms of tender and passionate dizzy
Heart of a native
Now he will always be with you
White dress, white veil
In the arms of tears and smiles will be forever
Heart stamped
And you can "bitter" scream

If you pick up glossy magazines
In the heart beats first dance
Maybe not my way
Limousines and fittings
Wedding Boutonnieres
Let them wait a little longer

But all doubts are broken with a bang
Gold glitter on her finger

White dress, white veil
In the arms of tender and passionate dizzy
Heart of a native
Now he will always be with you
White dress, white veil
In the arms of tears and smiles will be forever
Heart stamped
And you can "bitter" scream

Dress
White dress

White dress, white veil
In the arms of tender and passionate dizzy
Heart of a native
Now he will always be with you
White dress, white veil
In the arms of tears and smiles will be forever
Heart stamped
And you can "bitter" scream
