Only see it on TV,
read it in the magazines,
celebrities that want sympathy.
All they do is piss and moan,
inside the Rolling stone,
talking about how hard life can be.
I'd like to see them spend a week,
living life out on the street,
I don't think they would survive.
But they can spend a day or two
walking in someone else's shoes,
I think they would stumble and they fall,
they would fall,fall...

Chorus:

Lifestyles of the rich and famous,
there always complainin,always complainin,
if money is such a problem,
they got mansions,
think we should rob them.
Well did you when your famous
you could kill your wife,

and there's no such thing
as 25 to life,
as long if you got the cash
to pay for coverage.
And did you know if you
were caught and you were
smokin crack, and McDonalds
wouldn't wanna take you back,
you could always just run for mayor
of D.C.

I'd like to see them spend a week
livin life out on the street,
i don't think they would survive.
But they can spend a day or two
in someone else's shoes,
I think they would stumble and they would
fall, they would fall, fall...

Chorus:

Lifestyles of the rich and famous,
there always complainin, always complainin,
if money is such a problem, you got so
many problems, think i could solve them.
Lifestyles of the rich and famous,
we'll take you clothes, cash cards,
and homes, just stop complainin.

Lifestyles of the rich and famous,

Lifestyles of the rich and famous,

Lifestyles of the rich and famous.
