Say playboy, whatchu know about Jazze Pha,  
big E-Feezy 40 Fonzarelli from the Bay, and big 'Ball?

[Chorus: Jazze Pha]  
Niggaz must be blind..  
Or that hoe must got yo' mind..  
You niggaz must be blind..  
Or that hoe must got yo' mind.. your mind

[E-40]  
She was lookin kinda classy in the back of the club  
Baby kept eyein me, lovin the stud  
Teasin and tryin me while I'm sittin there stuff(?)  
Quiet like jockin me, all on my nuts  
Til my focus got sloppy, spillin this cup  
Went way up out of his mind and started touchin her  
butt  
That's premature mackin nigga you're fuckin off my  
action  
Nigga you Captain Save-a-Hoe (bitch) action packed  
nigga

[Jazze Pha]  
You was young and foolish (young and foolish)  
Didn't know what you was doin (what you was doin)  
Didn't really know she was a hoe.. ohh noo (a hoe!)  
She had a pretty face (pretty face)  
Drove you wild (drove you wild)  
I bet you want that hoe to have your child (yo' child)

[Eightball]  
Yeah, uh-huh  
I don't respect no dick-suckin freak in the pack  
Most niggaz claim pimpin but that shit be a act  
I ain't got nothin for you hoe  
You ain't got to spend the night, you can get your shit  
and go  
I'm not no sugar daddy hoe one-stop  
Top notch hoes even got to have they own knot  
I seen niggaz get caught up, right quick

I seen hoes capitalize, and hit licks  
I wonder what the fuck be wrong with these tricks  
So me and 40 singin this song for these tricks  
You know them niggaz who call them hoes all day  
At the hoe job all in the hoe face  
As soon as the hoe tip off and get tipsy  
She got dick on her lips, up in the Embassy  
And be home befo' fo', snuggled up witcha  
Wake up and pretend to make love witcha

[Chorus: Jazze Pha]

Niggaz must be blind.. you niggaz must be blind  
Or that hoe must got yo' mind.. you can't see what I can  
see  
You niggaz must be blind.. niggaz must be blind  
Or that hoe must got yo' mind.. your mind, your mind

[E-40]

Some of that genocide and juice, then the thing about  
the thong  
Fantasizin about sex in groups, nothin small  
She like niggaz that like to shop at the, big and tall

[Jazze Pha]

Didn't know what you was doin (what you was doin)  
Didn't really know she was a hoe.. ohh noo (a hoe!)  
She had a pretty face (pretty face)  
Drove you wild (drove you wild)  
I bet you want that hoe to have your child

[Chorus: Jazze Pha]
