Do You Realize, that you have the most beautiful face  
Do You Realize, we're floating in space  
Do You Realize, that happiness makes you cry  
Do You Realize, that everyone you know someday will  
die

And instead of saying all of your goodbyes, let them  
know  
You realize that life goes fast  
It's hard to make the good things last  
You realize the sun doesn't go down  
It's just an illusion caused by the world spinning round

Do You Realize, Oh Oh Oh  
Do You Realize, that everyone, you know,  
Someday, will die

And instead of saying all of your goodbyes, let them  
know  
You realize that life goes fast  
It's hard to make the good things last  
You realize the sun doesn't go down  
It's just an illusion caused by the world spinning round

Do You Realize, that you have the most beautiful face  
Do You Realize
