You think you're so radical
I think you oughta stop
(Say what)
But you're going international
They're gonna call the cops
(No, no, no)
You're turning into
A poor man's Donald Trump
I know those circumstances
Make you wanna jump
Oh no

You think you're radical
But you're not so radical
In fact, you're fanatical
Fanatical

And you think you're a radical
But you're not so radical
In fact, you're fanatical
Fanatical

I'll tell you right now
You oughta change your mind
(Yes)
All of your friends are
Standing in line
They're getting tired of
You're at it too fast
Without all your bodyguards
How long would you last
Not long

You think you're radical
But you're not so radical
In fact, you're fanatical
Fanatical

And you think you're a radical
But you're not so radical
In fact, you're just fanatical

Fanatical

And you think you're a radical
But you're not so radical
In fact, you're just fanatical
Fanatical
