We hold our breath 'til the morning comes
And at last the sun shines through
But the night's so hard that it seems impossible
But what else can we do?
Goin' on
Goin' on

Listen you'll hear it
We're gettin' near it
It's comin', I can feel it
'cause I know we're gonna win
Listen you'll hear it
We're gettin' near it
I know I really fear it
But we pretend it's just another day
Goin' on
Goin' on

We tell ourselves it's all just normal
The worst of it is gone
And you get up
And you get up
And you just cant take it
How we keep goin' on
Goin' on
Goin' on

Listen you'll hear it
We're gettin' near it
It's comin', I can feel it
'cause I know we're gonna win
Listen you'll hear it
We're gettin' near it
I know I really fear it
But I pretend it's just another day

Goin' on
Goin' on
Goin' on
Goin' on
We're goin' on
