I got yer letter it had turned to sand
Lightning strikes the postman in his hand
I hope that you remember the things you had to say
It's just a supernatural delay...
I got yer package it was all a mess
Lightning strikes the postman in his chest
I hope that you remember the things you had to say
It's just a supernatural delay...
I sent you a postcard and I hope yer fine
But lightning strike the postman all the time
I couldn't really think of anything to say
It's just a supernatural delay,
And it's hard to read the writing through the flames...
