And the sun goes over me

And the sun goes over me

And the sun goes over me

And the sun goes over me

And the sun goes over me

And the sun goes over me, yeah

It'd be so kind to see your face in my door

It wouldn't have to last very long

It'd be so kind to see your face in my door

I wouldn't have to ask anymore

And the sun goes over me

It'd be so kind to see your face in my door

It wouldn't have to last very long

It'd be so kind to see your face in my door

'Cause I wouldn't have to ask anymore

And the sun goes over me

And the sun goes over me

It'd be so kind to see your face in my door

It'd be so kind to see your face in my door

It'd be so kind
