Without hope  
Without love  
She sees herself  
From below and above

An untied hand  
She smears the spit  
Pleasure and suffering  
Her beliefs conflict

It brings a smile  
She cannot pretend  
To believe that life  
Really has no end

See the leaves  
They're dying again  
See the moth  
It's flying again  
See the leaves  
They're dying again  
See the moth  
It's flying again  
See the grass  
It's dying again  
See the sun  
It's trying again (5x)  
See the grass  
It's dying again  
See the sun  
It's trying again (2x)

See the leaves  
They're dying again  
See the moth  
He's flying again  
See the grass  
It's dying again  
See the sun  
It's trying again  
See the sun

It's trying again  
See the sun  
It's trying again
