I see trees of green, red roses too  
I see 'em bloom for me and you  
And I think to myself, what a wonderful world

I see skies of blue, clouds of white  
The bright blessed days, and dark sacred nights  
And I think to myself, what a wonderful world

The colors of the rainbow  
Are so pretty in the sky  
It's also on the faces  
Of people walkin' by  
I see friends shakin' hands  
Sayin', "How do you do?"  
They're really sayin', "I love you."

I hear babies cry, and I watch 'em grow  
They'll learn much more than I'll ever know  
And I think to myself, what a wonderful world  
I think to myself, what a wonderful world
