Desperate to take
Lost in its wake
Time slips away
Too soon

Pleasures of fear
Drawing us near
Where could we go
From hear?

Waste what we want
We beg and we're bought
And nothing is wrong
With us

Waste what we want
We beg and we're bought
And nothing is wrong
With us

Life in these veins
Godless and stained
Glimpses of hope
Exist

Slanted advance
Threatened by chance
Time slips away
Too soon

Waste what we want
We beg and we're bought
And nothing is wrong
With us

Waste what we want
We beg and we're bought
And nothing is wrong
With us
Nothing is wrong
With us
