Now that the thrill of the massacre is over
Isn't it sweet when she sucks on your veins
I've waited so long, I've waited so long
I've waited, I've waited
So long

I roll back the stone just to see
What I'm missing?
Glimpses of grandeur, now faced with defeat
I've waited so long, I've waited so long
I've waited, I've waited so

Now that your kingdom of Babylon's fading
Where will you turn when you can't find your soul
I've waited so long, I've waited so long
I've waited, I've waited
So long

Salvation's at hand, it's a matter of taste dear
Lost in ideals that you found in the trash
I've waited so long, I've waited so long
I've waited, I've waited
So long
