Where did you go to  
It's not what you told me  
You'd think with the lies it would change  
And everyone else they're  
Running in circles  
Trying so hard not to change  
You take it with the bad  
You take it with the good  
I'd give it all to you if I knew that I could  
So when I'm crying baby  
Can you see my tears

Where did you go to  
Its not what you told me  
You'd think with the lies it would change  
Everyone else they're  
Running in circles  
Walking around in a daze

Where did you go to  
Its not what you told me

You'd think with the lies it would change  
Every where else they're  
Running in circles  
Trying so hard not to change  
And honey I'm amazed  
I'm simply amazed  
Yes I am

So when I'm crying baby  
Can you see my tears

And watching the sunrise  
Deep in my soul  
I felt it in your eyes  
I'd have to be a fool  
Not to realise  
I strain to see  
Through your clouds of calamity  
If not for me  
You'd be living a reality

So when I'm crying, baby  
Can you see my tears
