Your holdin' on
Once again
Take the time to look around
Is it all in vain
Can't you see
Stay with me

I need you now
Stop the rains baby
But you can't see how it feels
Until you felt the same
Stay with me
Can't you see, can't you see

Don't let me down
Please stay with me
Don't let me down
Stay with me
Don't leave me now
Stay with me
When darkness descends it's all you see
Don't leave me now
Stay with me

Stay with me
Stay with me
Stay with me
Stay with me
Please, please

You tell me what you want
You gotta tell me what you want

She's drawin' down the moon
I can see it in her eyes
I think it's too soon
I wish she's going to cry
She's drawin' down the moon
She cannot turn away
I think its too soon
Can't she hear me when I say

You tell me what you want
You gotta tell me what you want

Don't let me down
Stay with me
Don't leave me now
Stay with me
When darkness descends it's all we see
Don't leave me now
Stay with me

Stay with me
Stay with me
Stay with me
Stay with me
Please, please

Yeah
Down
Down
Down
