You stay  
Silent, knowing, always in time  
See how this love stays divine  
See how this love stays divine

You stay  
Silent, knowing, always in time  
See how this love stays divine  
See how this love stays divine

Sleep here  
Hoping, knowing, always in time  
See how this love stays divine  
See how this love stays divine  
This is the way, step inside

And I'm waiting  
(When I return to her I find)  
I'm waiting  
(Flowers of evil in my mind)  
And I'm waiting  
(Dancing with fire on the edge)  
I'm waiting  
(Remembering all of what she said)

And I'm waiting  
(Hoping the rains will wash away)  
I'm waiting  
(Hoping that God will show the way)  
And I'm waiting  
(Dancing with fire on the edge)  
I'm waiting  
(Remembering all of what she said)  
(With this fire in the head)

You stay  
Silent, knowing, always in time  
See how this love stays divine  
See how this love stays divine  
This is the way, step inside

And I'm waiting

(When I return to her I find)  
I'm waiting  
(Flowers of evil in my mind)  
And I'm waiting  
(Dancing with fire on the edge)  
I'm waiting  
(Remembering all of what she said)

And I'm waiting  
(Hoping the rains will wash away)  
I'm waiting  
(Hoping that God will show the way)  
And I'm waiting  
(Dancing with fire on the edge)  
I'm waiting  
(Remembering all of what she said)  
(With this fire in the head)

(Yeah)  
Sleep here  
Hoping, knowing, always in time  
See how this love stays divine  
See how this love stays divine  
This is the way, step inside
