Yes

Driven by restrained desire
I want what I need
Shaking as her sex takes hold
I've lost all control

Temptation, temptation

Drowning in a sea of rage
I taste the embrace
Helpless as it steals my soul
I've lost all control

Temptation
(It never lets me down)
Temptation
(One foot in the ground)

We exist in a world where the fear of illusion is real
And we cling to the past to deny and confuse the ideal
Once inside, we can conceive and believe in a God we
can't feel
I can't feel it, I can't feel it, I can't feel

Destined by a fate so cruel
I drugged to delight
Laughing as these lies unfold
I've lost all control

Temptation
(It never lets me down)
Temptation
(One foot in the ground)
Temptation
(You satisfy my soul)
Temptation
(I've lost all control)
