Turn the lamp down low
Baby shelter me
Turn the lamp down low
Risin' up to see
Turn the lamp down low
Baby please don't go
Turn the lamp down low

Do you feel a flame that's burnin' as the candle dies
Do you see the spirits stirrin' as you close your eyes
Do you sense the slow advancement as the twilight
thins
Do you see the serpent dancin' as it sheds its skin

Turn the lamp down low
Baby please don't go
Turn the lamp down low
Baby please

Does the sun renounce its kingdom as the shadows fall
Does a fool rejoice in wisdom when a raven calls
Do you embrace the dancin' clayman as he tears your
flesh
Do you hear the souls are screamin' in the serpents
mesh

Turn the lamp down low
Baby please don't go
Turn the lamp down low
Baby please don't go

Turn the lamp baby
Babe, babe don't go
Yeah, yea

Do you need the consolation of a dead man's hand
As the tears of desolation flood a dead man's land
Do you seek your souls redemption under fervent skies
Don't you see your own reflection in the serpent's eye

Turn the lamp down low
Baby please don't go

Turn the lamp down low, yeah
Don't go
Baby please don't go
Baby please don't go
Yeah

Please don't go
Baby please don't go
Baby please don't go
Don't leave me here
Please don't go
Please, please, please
Baby please don't go
Baby please don't go
Please don't go
Please don't go
Baby please don't go
Go, go, go, go
