Just a steeltown girl on a saturday night, lookin' for the  
fight of her life  
In the real-time world no one sees her at all, they all  
say she's crazy

Locking rhythms to the beat of her heart, changing  
woman into life  
She has danced into the danger zone, when a dancer  
becomes a dance

It can cut you like a knife, if the gift becomes the fire  
On a wire between will and what will be

She's a maniac, maniac on the floor  
And she's dancing like she's never danced before  
She's a maniac, maniac on the floor  
And she's dancing like she's never danced before

On the ice-build iron sanity is a place most never see  
It's a hard warm place of mystery, touch it, but can't  
hold it  
You work all your life for that moment in time, it could  
come or pass you by  
It's a push of the world, but there's always a chance  
If the hunger stays the night

There's a cold connective heat, struggling, stretching  
for defeat  
Never stopping with her head against the wind

She's a maniac, maniac, I sure know  
And she's dancing like she's never danced before  
She's a maniac, maniac, I sure know  
And she's dancing like she's never danced before

It can cut you like a knife, if the gift becomes the fire  
On a wire between will and what will be

She's a maniac, maniac, I sure know  
And she's dancing like she's never danced before
