Well, I think I'll go and rent me a movie right now;

Go and get something I ain't never seen.

And on the discount rack, I see Deliverance,

And I'm watchin' it now and they've got to that scene

Where they meet the hillbillies and they're big and
they're meanâ€¦!

And who's that crawlin' 'round on his knees?

It's Ned Beatty! (Beatty!) Ned Bea-yay-yay!

Ned Beatty had the hardest part

'Cause redneck love leaves emotional scars.

I guess he didn't read the script too far;

Ned Beatty had the hardest part!

Well, I wonder what kind of parts Ned turned down -

Oh, I wonder how desperate he was.

'Cause I've heard it's pretty tough in Hollywood,

But I wouldn't ever let them tie me to a tree;

Screamin' and holdin' up my BVDs;

Waitin' for Burt to come and rescue me,

Sayin' "Hey Burt!" (Hey Burt) Hey-yay-yay!

Ned Beatty had the hardest part.

If you got a purty mouth, you can be a big star.

I bet the next day, his agent got fired.

Ned Beatty had the hardest part!

Well, don't let 'em get you Ned - don't let 'em next to you!

Don't let 'em get you Ned - you know what he wants to do!

Think of your mamma Ned - put you through drama school;

Is this what she had in mind? You think she's proud of you?

Ned Beatty! (Beatty!) Ned Bea-yay-yay!

Ned Beatty had the hardest part!

He's taken method acting just a bit too far,

'Cause this ain't exactly Shakespeare-in-the-Park.

Ned Beatty had the hardest part!

Ned Beatty had the ha-a-a-a-a-arde-e-e-e-est pa-a-a-a-art!

Who-o-o-o-o-o-o-o-o-oa-oa!

â€¦had the hardest part!

O-o-o-o-o-o-o-o-o-oa-oa!

â€¦had the hardest partâ€¦
