I saw you silhouette walking by the window this
morning

morning, morning, morning

I had a feelin' it was you by the shadow you were
forming

forming, forming, forming

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

Walking by, walking, walking, walking

I ran to open up the door and see if you were really out
there

But when I opened up the door there wasn't anybody
out there

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Silhouette, silhouette

Silhouette, silhouette

Silhouette, silhouette

I've broken every single rule and underated every

warning

Warning, warning, warning

But when I made believe I saw you at my window this morning

Morning, morning, morning

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Silhouette, silhouette

Silhouette, silhouette

Silhouette, silhouette

I've broken every single rule and underated every warning

Warning, warning, warning

But when I made believe I saw you at my window this morning

Morning, morning, morning

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

I saw your silhouette, silhouette, silhouette

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Walking by, walking, walking, walking

Walking by, walking, walking, walking
