I'm so ronery, I'm so ronery  
So ronery  
So ronery and sadry arone  
There's no one just me onry  
Sitting on my rittle throne

I work very hard and make up great prans  
But nobody ristens, no one understands  
Seems that no one takes me serirousry

And so I'm ronery  
A little ronery  
Poor rittre me

There's nobody I can rerate to  
Feer rike a bird in a cage  
It's kinda sihry, but not rearry  
Because it's fihring my body with rage

I work rearry hard to stay nice and fit  
But none of the women seem to give a shit  
When I rure the world maybe they'rr notice me  
But untir then I'rr just be ronery  
Rittre ronery, poor rittre me  
I'm so ronery, I'm so ronery
