I gave my heart to you  
The one that I trusted  
You brought it back to me  
All broken and busted  
Refrain:  
So I sold my heart to the junkman  
And I'll never fall in love again  
You took my heart  
Because you thought you could use it  
Just like a little toy  
You battered and bruised it  
Refrain  
Like a melodrama  
In a simple manner  
Love played the leading part  
We planned a happy ending  
Now I'm left with a broken heart  
I'll throw away my pride  
Ans say we'll be friends, dear  
Teardrops  
I just can't hide  
'Cause this is the end, dear  
Refrain  
Like a melodrama  
In a simple manner  
Love played the leading part  
We had planned a happy ending  
Now I'm left with a broken heart  
I'll throw away my pride  
And say we'll be friends, dear  
Teardrops I cannot hide  
'Cause this is the end, dear  
Refrain  
No, I'll never fall in love again
