Who loves me even though I'm crazy
and nothing that I say is true?
Who won my heart and soul forever?
It's nobody else but,
nobody else but . . .

Each time I feel I'm out to pasture
who always makes me feel brand new?
I'm pledging my allegiance baby
to nobody else but,
nobody else but . . .

Look at me, laughing out loud,
trying to remember all the jokes that you taught me.
When you see the light in my eyes,
it's only a reflection of the joy that you brought me.

How did I get to be so happy?
I've wondered that my whole life through, yeah.
I thank my lucky stars for sending me
nobody else but, nobody else but,
nobody else but you.

La, la, la, la, you, yeah.
La, la, la, la,
la, la, la, la, la,
la, la, la, la,
la, la, la, la, la.

Look at me, laughing out loud,
trying to remember all the jokes that you taught me.
When you see the love in my eyes,
it's only a reflection of the joy that you brought me.

I always knew I had an angel,
a voice that told me what to do, yeah.
But now that angel's on my shoulder.
It's nobody else but, nobody else but,
nobody else but you.

La, la, la, la, you, yeah.

La, la, la, la,
la, la, la, la, la.
La, la, la, la,
la, la, la, la, la, woah.
La, la, la, la,
la, la, la, la, la.
La, la, la, la,
la, la, la, la, la . . .
