"Somewhere Along The Way"

I used to walk with you
along the avenue
our hearts were carefree and gay
how could I know I'd lose you
somewhere along the way?
The friends we used to know
would always smile hello
"no love like our love", they'd say
Then love slipped through our fingers
somewhere along the way.
I should forget
but with the loneliness of night
I start remembering
everything.
You're gone and yet
there's still a feeling deep inside
that you will always be
part of me.
So now I look for you
along the avenue
and as I wander I pray
that someday soon I'll find you
somewhere along the way.
