Oooh oooh oooh
It's such a mystery
How he found something in me
That I never knew was there
He uncovered it so easily
He turned me like a season
And I began to change
He wrapped himself all around me
Now I'll never be the same
Chorus:
That's how love works
That's how love moves
Like a river
Running through you
Sometimes it lifts you
As high as Heaven
It consumes you
That's a given
That's how love moves
That's how love moves
I've seen walls that could never be broken
Come tumblin' down (oh yes I have)
I've heard the voice of love calling
Without making a sound
See I was touched by an angel
The day he took my hand
And I know that he's the miracle
That makes everything I am
Chorus
Oh love
Sometimes it's just a whisper
Sometimes it's a storm
Sometimes it reaches forever
With its everlasting arms
That's how love works
That's how love moves
Like a river
Running through you
Sometimes it lifts you
As high as Heaven
It consumes you

Yeah, that's a given
Oooh (that's how love works)
That's how love moves
Like a river, yeah like a river
Running through your heart and soul (Running through
you,
Sometimes it lifts you)
As High as Heaven
Heaven (It consumes you)
That's a given
(That's how love works) that's how love works
(That's how love moves) that's how love moves
(Like a river) like a river
(Running through you, sometimes it lifts you) running
through your
heart and soul As high as Heaven Heaven (it consumes
you) That's a
given That's how love moves That's how love moves
That's how love
moves That's how love moves That's how, that's how,
that's how... love
moves That's how love moves That's how love move
