My Darling, My Darling

Jo Stafford and Gordon McRae (#1 in 1949)

- from "Where's Charley?"

- words and music by Frank Loesser

My darling, my darling

I've wanted to call my "my darling"

For many and many a day

My darling, my darling

I fluttered and fled like a starling

My courage just melted away

Now all at once you've kissed me

And there's not a thing I'm sane enough to say

Except, my darling, my darling

Get used to that name of "my darling"

It's here to stay
