i hate your way i don't care what you say i hate
your way i don't care and i 'm only half there so i
don't care they can cut me down 'til i'm the talk of
the town i'm a fool for you had to sell my soul but
you were so rock and roll i'm a fool for you i hate
your way a little more every day i hate your way a
little more and i could leave but what for a little
more and it's wicked to be so stupid man it's stupid
to be so dumb i'm getting crooked i can feel it i
can feel it in my bones
