"I'm happy I'm feelin glad I got sunshine in a bag I'm
useless but not for

long The future is coming on" Finally someone let me
out of my cage Now time

for me is nothing 'cause I'm counting no age No I
couldn't be there naw you

shouldn't be scared I'm good at repairs and I'm under
each snare Intangible

bet you didn't think so I command you to Panoramic
view look I'll make it all

managable Pick and choose, sit and lose all you
different crews, Chicks and

dudes, who you think is really kickin' tunes? Picture you
gettin' down in a

picture too Like you lit the fuse, You think it's fictional?
Mystical, maybe,

spiritual, here (huh?) Appears in you to clear your view
When you're too crazy.

Lifeless, for those the definition for what life is,
Priceless, to you because I

put you on tha high sh%t You like it?

Good, smoke it righteous with one toké It's psychic
among those

Possess you with one, though."Chorus" The essence,
the

basics, the bout that you make it Allow me to make it!

his child like in nature Rhythm, you have it or you don't,
that's a fallacy I'm

in 'em, Every sprout and tree, every child of
peace, Every cloud and sea You see

with your eye, you see the structure and demise
Corruption in the skies, from

this f&ckin; enterprise That I've sucked into your lives
Through Russel, not his

muscles But precussion he provides, With me as ya
eyes Y'all can't see me now

'cause you don't see with your eye You perceive with
your mind. That's the end,

so I'ma stick around with Russ And be a mentor Bust a
few rhymes, so muthaf&ckas;

Remember what they thought is I brought all this So you
could survive where law

is lawless Feel the sensations that you thought was
dead No squealin', remember

That it's all in your head.

Chorus
