Fuck the computer
You're not a teammate on my team
So shut up
And my dreams
Look at the VCR TV
In the room
With white knives
And a PCR T3 of my own
So what now
Thought you want to marry me
Ohhhh

Who cares
Now sit there
Sit there and stare
My god
No cares
Just sit there
Sit there and stare
Oh my god

18
Yea she's my teammate X I 3
And she's good
With white liars
A loud picture whole like tv
So shut up
And I dream
Look at the VCR T3
In my room
I look up
Laughing at you
Bury me
Ohhhh

Who cares
Now sit there
Just sit there and stare
My god
Just sit there
Sit there

Sit there and stare
My god
