When I've got a problem, and I don't know what to do,
When it's dark as midnight, and I just can't see my way
through,
I don't worry, I don't fret
Cause when I least expect it,

God works in mysterious ways.

If you've got a problem, and you don't know what to do,
If it's dark as midnight, and you just can't see your way
through,
Don't you worry, don't you fret,
Cause when you least expect it,

God works in mysterious ways.

Try God God works

God specializes in the impossible; you'll be amazed

God works in mysterious ways
