Visit "[Heartbeat Like A Drum](#)" on MotoLyrics.com

like a drum like a drum
every time you walk on by I got a sight high
you make my heart beat like a drum (heartbeat
heartbeat heartbeat)
every time you look my way I gotta say hey
you make my heart beat like a drum (heartbeat
heartbeat heartbeat)
you make me lie you make me cry I wanna die
you make my heart beats like a drum
then I'll have to tell you what you mean to me (I didn't
did I)
then I'll have to say love will set you free (oh no)
then I'll have to say love will come your way
it really doesn't matter
it really doesn't matter
it really doesn't matter what they say
in your eyes I see some paradise (see some paradise)
in your arms I see that paradise (see that paradise)
I want you I want you I want you to stay here
so don't run away
don't run away
every time you walk on by I got a sight high
you make my heart beat like a drum (heartbeat
heartbeat heartbeat)
you make me lie you make me cry I wanna die
my heart beats like a drum
(heartbeat)
like a drum like drum like a drum like a drum
(heartbeat heartbeat)
ooh like a drum
drum (drum)
drum (drum)
then I'll have to tell you what your kisses mean (I didn't
did I)
then I'll have to say love will set you free (no no no)
then I'll have to say love will come your way (come your
way)
it really doesn't matter
it really doesn't matter
it really doesn't matter what they say (heartbeat
heartbeat)

it really doesn't matter what they say
my heart beats like a drum (heartbeat heartbeat)
