She's an automatic
He's a cosmic man
They will get together
They should know better by now

The meet in a garden
Down in old Japan
Where young love's forbidden
You've got to keep it hidden

Modern love is automatic
Modern love is automatic

Modern love is automatic
Modern love is automatic

They locked him away
For twenty years they say
You won't see him again
But I know diff'rent

Modern love is automatic
Modern love is automatic
Modern love is automatic
Modern love is automatic
Modern love is automatic
Modern love is
automatic
automatic
automatic
automatic
automatic
automatic
automatic
