You're giving me a hard time
What am I supposed to do with a hard time
Especially from you?
The way that you smile
Reveals a shadow from the past
When I thought I knew you
But you lied

If I see you walking
If I see you talking
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?

You say it's over this time
Emotions in the past
Remember last time?
You said it wouldn't last
The look in your eyes
Another shadow from the past
When I thought I knew you
Don't know why

If I see you walking
If I see you talking
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
Yeah!

The way that you smile
Reveals a moment that can't last
I hear the door close
Goodbye

If I see you walking
If I see you talking
What am I supposed to do?
What am I supposed to do?

What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
What am I supposed to do?
Yeah!
