(Roger Glover/Eddie Hardin)

Everybody's got to live together
All the people got to understand
So, love your neighbour like you love your brother
Come on and join the band
Well, all you need is love and understanding
Ring the bell and let the people know
We're so happy and we're celebrating
Come on and let your feelings show

Love is all, well love is all,
Love is all, can't you hear the call
Oh, love is all you need
Love is all you need at the Butterfly Ball

Ain't you happy that we're all together
At the ball in nature's countryside
And although we're wearing different faces
Nobody wants to hide

Love is all and all is love and
It's easy, yes it's so easy
At the Butterfly Ball where love is all
And it's so easy

[Instrumental part]

All you need is love and understanding
Hey, ring the bell and let the people know
We're so happy and we're celebrating
Let your feelings show

Love is all, yes love is all at the Butterfly Ball
Love is big, love is small
Love is free, love is all
At the Butterfly Ball

When you back's to the wall, when you're starting to fall
You got something to lean on
Love is everything, it can make you sing

At the Butterfly Ball

Love is all, I say love is all, yes love is all
At the Butterfly Ball...
