Load up on guns, bring your friends
it's fun to lose and to pretend.
She's overboard and self-assured,
i know, i know, a dirty world.

Hello, hello, hello, how low,
Hello, hello, hello, how low...

With the lights out it's less dangerous,
here we are now, entertain us.
I feel stupid, and contagious
here we are now, entertain us.
A mulato, an albino, a mosquito, my libido.

I'm worse at what i do best
and for this gift i feel blessed.
Our little group has always been
and always will until the end.

Hello, hello, hello, how low,
Hello, hello, hello, how low...

With the lights out it's less dangerous,
here we are now, entertain us.
I feel stupid, and contagious
here we are now, entertain us.
A mulato, an albino, a mosquito, my libido
