I remember the rain on the roof that morning

And all the things that I wanted to say

The angry words that came from nowhere without
warning

That stole the moment and sent me away

And you standing there at the

doorway crying

And me wondering if I'd ever be back

Chorus:

I said I didn't come here to leave you

I didn't come here to lose

I didn't come here believing I would ever be away from
you

I didn't come here to find out

There's a weakness in my faith

I was brought here by the power of love

Love by grace

And I remember the road just

went on forever

Just couldn't seem to turn that

car around

'Til in the distance like a long

lost treasure

A phone booth that just could

not be found

And you standing there at the

doorway waiting

And the moment when we laid

back down

Chorus

That was just a moment in time

And one we'll never forget

One we can leave behind

'Cause when there was doubt

You'll remember I said

I didn't come here believing I would ever be away from
you

I didn't come here to find out

There's a weakness in my faith

I was brought here by the power of love

I was brought here by the power of love
Love by grace
