"Deep Water"

Torn apart I sit and wonder
think double way and see you.
Be'n so long since you be'n gone
and I just want to be neat you.
I'm swimmin' in the deep water
and I really don't think that ought to be.

Understand I was the man
you wanted to be somebody
I could be too
and more for you
but without you I am no one
I'm swimmin' in the deep water
but I really don't think that ought to be.

If you want to help someone
if you want to save me
come on
come on
come on
come on do it.
Can you hear me baggin you
show a man some mercy
come on
come on
come on
come on do it.

You know your fascination
brought me to you
your last inclination
I'm in deepest
deepest
deepest
deep water I am
deep water.

You gave me understanding
you gave me all
and I need your help again
I'm in deepest

deepest
deepest
deep water I am - deep water - deep water
deep water I am - deep water.
