Twenty one, feeling down  
I tell you nothing with a thousand words  
and I weaker get with every step  
I waste my time on compact disc's and staly fish  
I can't remember the last time I did something  
that made me feel all right longer than a few hours  
if I only had the strength to make some muffins  
then I swear that I would share them with you now

Round by odd or round by noise?  
that's the question I spend time analyzing  
I'm so soft but still I'm not  
living up to what people want me to be  
cause I'm busy with me, myself and I  
can't be understood by someone I don't know to well  
so I'm shutting out the whole world just to play  
Nintendo  
I've got these games but I'm afraid you can't join me

These last few years I've been struggling  
and I'm tired of keeping a low profile  
so now it's time to show that I'm alive

I'm gonna change my life  
change my plans  
change my Vans  
even start to dance now  
change my thoughts  
change my socks  
change my moves  
even change my pro fighter Q for you

No its not for you  
And change mine just for me  
And change mine just for me  
Bullion
