Another fairytale about these endless feelings and
when it's
heating up
I think I'm stuck forever, I try to lose some weight, I try
to
get in shape
But in the end I always end up lost inside myself

Up and down gets nothing done, I just keep it waiting
Round and round out with the thumb, no I just keep on
waiting

Twelve numbers stare at me, sometimes it's not that
easy,
instead of waking
Up I think I'll sleep forever, what happened to the
dayroutines
that always kept
Me going? where the hell are all the dreams I had
about my life?

Now, but someday I'll get the time, to get me back on
the right
track and no
More slack, got to keep an open mind, I got to get out
of this
daily grind
And deep inside I know I will
