"Money"

"The best things in life are free
But you can give them to the birds and bees
I want money
That's what I want. That's what I want. That's what I
want.

Your love gives me such a thrill
But your love won't pay my bills
I want money
That's what I want. That's what I want. That's what I
want.

Money don't get everything it's true
What it don't get, I can't use
I want money
That's what I want. That's what I want. That's what I
want.

I want money

In fact I want so much money, give me your money

Just give me money"
