What should we do with the drunken sailor 3x
early in the morning
Ho hey up she rises 3x
early in the morning

Hoist him aboard with a running bowline 3x
early in the morning
Put him in the bed with the captain's daughter 3x
early in the morning
Ho hey up she rises 3x
early in the morning
Ho hey up she rises 3x
early in the morning

Put him in scupper with the horsepipe on him 3x
early in the morning
Hoist him aboard with a running bowline 3x
early in the morning
What should we do with the drunken sailor 3x
early in the morning
Put him in the bed with the captain's daughter 3x
early in the morning
Ho hey up she rises 3x
early in the morning
Ho hey up she rises 3x
early in the morning
Hooray hooray 3x
early in the morning
Hooray hooray 3x
early in the morning
