I dream of heaven
I dream of heaven
I dream of heaven, yeah
High time we made a stand and shook up the views of
the common man

And the lovetrain rides from coast to coast
D.J.'s the man we love the most
Could you be, could you be squeaky clean
As the headline says you're free to choose
And smash any hope of democracy ?
There's egg on your face and mud on your shoes

One of these days they're gonna call it the blues
Johnny Panic
I get excited by the news of today

Johnny Panic And The Bible Of Dreams
What seems unstable may be able to stay
Johnny Panic and The Bible Of Dreams
I dream of heaven, yeah
Johnny Panic

I spy tears in thier eyes
They look to the skies for some kind of divine
intervention
Food goes to waste !
Have you no idea how the Majority feels ?
So nice to eat, so nice to taste
So without love and a promise land
Politician Grannie with your high ideals
We're fools to the rules of a Government plan
Kick out the style ! Bring back the jam !
Bring back the jam !
My flame is heart, My baby do as she please

Johnny Panic
What good is living, when you live in disease
Johnny Panic and The Bible Of Dreams
I dream of heaven, it's a heavenly place

Why fall in love? when you can fall from grace
With Johnny Panic
Johnny Panic and The Bible Of Dreams
I dream of heaven
I dream of heaven

I dream of heaven, yeah
