Deja Vu

Deja vu

I must learn to protect myself
I'm not a man of violence
I must learn to protect myself
From the sins of science

People came and broke the law
Broke the vows of silence
I must learn to protect myself
From the sins of science

Deja Vu

Deja vu

I must learn to protect myself
I'm not a man of violence
I must learn to protect myself
From the sins of science

People came and broke the law
Broke the vows of silence
I must learn to protect myself
From the sins of science
