I wanted to be with you alone
And talk about the weather
But traditions, I can trace
Against the child in your face

Won't escape my attention
You keep your distance via the system of touch
And gentle persuasion
I'm lost in admiration could I need you this much

Oh, you're wasting my time
You're just wasting time

Something happens and I'm head over heels
I never find out until I'm head over heels
Something happens and I'm head over heels

Ah, don't take my heart
Don't break my heart
Don't throw it away

I made a fire and watching it burn
Thought of your future
With one foot in the past now just how long will it last
No no no have you no ambition

My mother and my brothers used to breathing
Clean air and dreaming I'm a doctor
It's hard to be man when there's a gun in your hand
Oh, I feel so

Something happens and I'm head over heels
I never find out until I'm head over heels
Something happens and I'm head over heels

Ah, don't take my heart
Don't break my heart
Don't throw it away

And it's my four leaf clover
I'm on the line, one open mind

This is my four leaf clover
