I wanted to be with you alone  
And talk about the weather  
But traditions I can trace against the child in your face  
Won't escape my attention  
You keep your distance with a system of touch  
And gentle persuasion  
I'm lost in admiration could I need you this much  
Oh, you're wasting my time  
You're just wasting time

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah don't take my heart  
Don't break my heart  
Don't throw it away

I made a fire and watching burn  
Thought of your future  
With one foot in the past now just how long will it last  
No no no have you no ambition  
My mother and my brothers used to breathe in clean in  
air (Changes with those...)  
And dreaming I'm a doctor (They can't stop...)  
It's hard to be a man when there's a gun in your hand  
Oh I feel so...

Something happens and I'm head over heels

And this my four leaf clover  
I'm on the line, one open mind  
This is my four leaf clover
